Frequently Asked Questions

1. Are you manufacturer? Do you offer after-sales service? How can I ask for that?

Yes, We are one of the professional manufacturers of waterproof and dustproof test equipment in China. Every machine purchased from our factory has 12 months warranty after shipment. We offer 12 months for FREE maintenance, extended to 14 months considering sea transportation. During warranty, we provide parts replacements, repairs, and technical support, including possible on-site service by our engineers.

For service requests, you can email or call us. We'll diagnose the problem through conversation or video chat if needed, and provide solutions within 24-48 hours.

2. What's the delivery term?

Standard machines are typically available from stock. For non-stock items, delivery time is 15-20 working days after deposit receipt. Urgent orders receive special priority.

3. Do you accept customization service? Can I have the LOGO on the machine?

Yes, we offer both standard and customized machines according to your requirements, including OEM and ODM services with your logo.

4. How can I install and use the machine?

We provide English operation videos via email. Most machines ship fully assembled - just connect power to begin use. On-site installation assistance is available when needed.

5. What languages are supported?

Standard equipment supports Chinese and English. Additional languages can be customized per user requirements.
